ASSIGNMENT

WHEREAS, We, Gary B. Wnuk, a citizen of the United States of America, residing at 12508 Rocky River Drive, Midlothian, VA 23113, and David J. Vachon, a citizen of the United States of America, residing at 16107 Harvest Street, Granada Hills, CA 91344-1844 have invented some new and useful improvements in SULFONATED STYRENE COPOLYMERS FOR MEDICAL USES for which patent application papers for a United States Patent thereon, identified by the US Patent Office as Serial Number 10/691,117, have been executed by us, and,

WHEREAS Aegis BioSciences, LLC, a Delaware corporation, having offices at 4326 Clairidge Way, Palm Harbor, FL 34685, has equitable rights in and to this invention and desires to confirm such rights and to acquire all right, title and interest in and to said invention;

NOW THEREFORE, for valuable consideration received, We hereby sell, assign, and transfer to said Aegis BioSciences, LLC, its successors, legal representatives and assigns, all right, title and interest in, to and under said invention and the said application, and all divisions, renewals, substitution and continuations thereof, and all Letters Patent which may be granted thereon and all reissues and extensions thereof, and all applications for Letter Patent which may hereafter be filed for said invention in any country or countries foreign to the United States, and all Letter Patent which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof.

AND WE HEREBY authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said invention to the said Aegis BioSciences, LLC., its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY agree, with respect to any country where for the filing of such an application and/or the transfer of priority rights a separate deed of sale, assignment or transfer is required, We will undertake at the request of Aegis BioSciences, LLC., to execute such separate deed to Aegis BioSciences, LLC., or to whomsoever that company may nominate.

AND WE HEREBY agree that We will upon request execute any instrument which Aegis BioSciences, LLC. desires to carry this assignment in effect, and perfect the title transferred hereby.

AND WE HEREBY covenant that We have full right to convey the entire interest herein assigned, and that We have not executed, and will not execute, any agreement in conflict herewith.

AND WE HEREBY further covenant and agree that We will communicate to the said Aegis BioSciences, LLC., its successors, legal representatives and assigns, any facts known to us respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid the said Aegis BioSciences, LLC., its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said invention in all countries.
